PROGRESS REPORT 2020

CORPORATE RESPONSIBILITY PERFORMANCE

ALDI SÜD Group 2021

By measuring our corporate responsibility performance on a regular basis, we are continuously validating the effectiveness of our actions and highlight the areas where we are already making strong progress as well as other areas where further action is still required.[1]

Reporting scope:

1. All reporting are based on our own-brand products. Branded products are excluded. ALDI China is not considered within the scope of this reporting.
2. For the year 2020, the ALDI SÜD Group's CR performance in the area of Resource Efficiency is reported excluding our national operations in Austria, Switzerland, Slovenia, Hungary, and Italy, due to a transition of IT systems.
3. Indicator for 2020 will be published at the end of the year 2021.
